## MOMENCE CITY COUNCIL Monday, August 17, 2020 Public Works Committee Meeting

Time: 6:45 P.M.

The Public Works Committee meeting was held in the Council Chambers at 29 North Dixie Highway, Momence.

Present: Chairman Alderman Metz, also present Aldermen Salomone, Carbonaro, Clark, Cook, Cope, Temple and Rehmer. Also, present Mayor Steele.

Discussing water rates. Tina had provided the info of all commercial industries in the area. Alderman Salomone provided an analysis of what each option would look like. Alderman Rehmer concerned with the senior community increase being too high with structured income. Higher increase on the commercial, lower increase on residential.

Alderman Cook suggested doing away with the base rate, start at zero and pay from there. Users will have control over their usage. Meters only read in 1000's, maybe start the base rate at 1000 vs. 4000 gallons.

Base rates are different between commercial and residential. Alderman Salomone to pull the data to analyze.

Possible 3 tiers =

0 – 15000 gallons  
15000 – 25000 gallons  
25000 - over gallons

Alderman Salomone to adjust numbers and add in a 3<sup>rd</sup> tier. Alderman Metz suggested meeting with Scott and Mark to discuss, 6:45 September 7

Meeting closed at 7:13 P.M.

Respectfully submitted,

Christy Ritter, City Clerk
