## MOMENCE CITY COUNCIL Monday, October 5, 2020 Public Works Committee Meeting

Time: 6:45 P.M.

The Public Works Committee meeting was held in the Council Chambers at 29 North Dixie Highway, Momence.

Present: Chairman Alderman Metz, also present Aldermen Salomone, Carbonaro, Clark, Cook, Cope, Temple and Rehmer. Also, present Mayor Steele.

Discussed water/sewer rates. Alderman Salomone provided a spreadsheet with possible new rates. Discussed a flat rate across the board, residential and commercial. Looking at the middle amount that would show a \$27.00 increase with water/sewer combined rate

Once decision is made, a letter will be drawn up for the big industrial users to provide information on rate increases.

This will be added onto the next meeting agenda for a possible vote, pending the outcome of the meeting with Baxter/Woodman.

This must be done; at this current rate structure we would not qualify for a loan.

Meeting closed at 7:10 P.M.

Respectfully submitted,

Christy Ritter, City Clerk
