

PUBLIC NOTICE

CONTROLLED ROCK BLASTING

Momence Sewage Treatment Plant Improvements

**Project Location:**  
600 West Water Street  
Momence, Illinois 60954

ATTENTION RESIDENTS & BUSINESSES

To support critical infrastructure improvements at the Momence Sewage Treatment Plant, controlled rock blasting operations will be conducted as part of the construction process.

These activities are planned, regulated, and performed by qualified professionals using industry-standard safety procedures.

BLASTING SCHEDULE

**Estimated Start Date:** June 8, 2026

**Estimated End Date:** June 23, 2026

**Work Hours:** 7:00 AM – 5:00 PM

Blasting will occur intermittently throughout this period. Actual blast times may vary due to weather and site conditions.

WHAT YOU MAY EXPERIENCE

During blasting activities, nearby residents may notice:

- A brief, loud noise at the time of detonation
- Minor ground vibrations similar to a heavy truck passing nearby
- Temporary and localized dust near the construction area

🕒 These effects are expected to be brief and will remain within regulated safety standards.

### 🔔 SAFETY MEASURES IN PLACE 🔔

Your safety is our highest priority.

🔊 Warning siren sounded **5 minutes before each blast**

🕒 Warning siren sounded **1 minute before each blast**

📊 Continuous vibration monitoring

📡 Air-overpressure monitoring

🚒 Coordination with local emergency services

👷 Oversight by qualified blasting professionals

📄 Compliance with all applicable safety regulations

### 🤝 COMMUNITY COMMITMENT

🏠 We understand construction activities can be disruptive.

🏡 Special consideration is being given to nearby homes, businesses, and local institutions, including schools, to ensure work is completed safely and responsibly.

💧 These improvements will help strengthen and modernize Momence's wastewater treatment infrastructure, benefiting our community for years to come.

### ? QUESTIONS OR CONCERNS

👤 **David Vavrek** – Project Representative

Please contact the project team with any questions regarding blasting activities or construction operations.

🙏 Thank you for your patience, cooperation, and support as these important community improvements are completed.

### 🚧 Building a Stronger Future for Momence 🚧
