MOMENCE CITY COUNCIL Monday, November 18, 2019 Public Works Committee Meeting

Time: 7:00 P.M.

The Public Works meeting was held in the Council Chambers at 29 North Dixie Highway, Momence.

Present: Chairman Alderman Metz, also present Aldermen Salomone, Clark, Cook, Temple, Rehmer and Cope. Alderman Carbonaro was absent.

1. Sewer upgrades and needed projects – Mark is suggesting that there should be 2 separate rates, one for commercial and one for residential. No more of the base rate, across the board. It's also time to replace water meters, \$350.00 per home. Option 5 for residential has been decided. Tina Demack made a recommendation to change the ordinance to not follow the index. Sewer would go up around \$14.00, total bill increase between \$20 - \$30 per month. Alderman Metz suggested base rate of \$18.00, variable of \$1.50/1000 – water. Commercial 25.00 base rate, 3.00 variable/1000. Sewer – 22.00 base rate 3.00 variable for residential, commercial 25.00 and variable 4.00

Mark will get figures to show how these numbers look.

Meeting closed at 7:19 P.M.

Respectfully submitted,

Christy Ritter, City Clerk
