MOMENCE CITY COUNCIL Monday, January 17, 2022 Public Works Committee Meeting

Time: 6:30 P.M.

The Public Works Committee meeting was held in the Council Chambers at 29 North Dixie Highway, Momence.

Present: Aldermen Salomone, Carbonaro, Huddelston, Clark, Starkey, Cook, Temple and Strunk. Also, present Mayor Steele.

Scott Starkey and Tina Demack have a letter ready for the residents. Question raised was how are we getting this to the residents? Notification on the website was suggested, small notice on the water bill to check the website. No public hearing is necessary per Stewart Diamond. Mayor spoke to Baxter Woodman; no notification is necessary per Nikki. Steve Gross was suggested to announce via Facebook live.

Mayor indicated that the ordinance has 4 or 5 questions to answer, which should be taken care of tomorrow. This will be ready by the next meeting.

Alderman Salomone issued the latest (version 8) spreadsheet. Water rates look to be 28.63 base rate, 1.90 per 1000 gallons. This is the same per residents and industry. Sewer, this is based on Johnsonville become a direct discharge, 43,000.00 per month x 12 months. Looking at charging a smaller amount to Johnsonville due to the direct discharge, this amount of 43000.00, will be spread across all entities. This will have a manual component for billing purposes. This information was derived from and included all of the 2020 activity and added in the anticipated expenditures.

Meeting closed at 7:30 P.M.

Respectfully submitted,

Christy Ritter, City Clerk
